Education

Feroze Gandhi Institute of Engineering and Technology (Btech)

September 2020 - June 2024

Electronics and Communication Engineering (SGPA of 7.38) (Upto 6th Sem)

Rae Bareli, Uttar Pradesh, India

Girja Devi Rajaram I C Devdand Sant Kabir Nagar

2019 - 2020

Class 12 (63.2%)

Gorakhpur

Kendriya Vidyalaya No.1 AFS Gorakhpur

2016 - 2017

Class 10 (83.2%)

Gorakhpur

Experience/Training

Geeks for Geeks

June 2023 - August 2023

Full Stack Development Program

- Completed a 10-week Full Stack Development program, gaining expertise in front-end, back-end, deployment, and debugging.
- Proficient in React, Node.js, and essential tools for comprehensive web development skills.
- Built projects like Quiz app, Temperature Converter, and Web Music, etc.

Coding Ninjas

April 2022 - August 2022

Data Structure And Learning Program

- Improved problem-solving prowess and proficiency in algorithmic techniques...
- Developed a well-rounded skill set in software development through practical application.

Technical Skills

Programming: C++, C, Html, Css, JavaScript, Data Structures and Algorithms

Frameworks: Tailwind CSS, React JS

Familiar: Git, Github

Projects

Currency Swapper | React, Tailwind CSS, API | website

- Developed a currency conversion app using React, integrating custom hooks for real-time currency information.
- Implemented a user-friendly interface allowing seamless conversion between currencies.
- Employed API integration to fetch live exchange rates, ensuring accurate and up-to-date currency conversion.
- Utilized React Router for seamless navigation between different currency pairs, enhancing the overall usability of the application.

Nike Landing Page | React, Tailwind CSS | website

- Developed a landing page for Nike using React and Tailwind CSS, ensuring a responsive and visually appealing design.
- Utilized Tailwind CSS utility classes for rapid prototyping and styling, speeding up the development process.
- Integrated responsive design principles to ensure optimal viewing experience across different devices and screen sizes.

Achievements

- * Solved **300**+ questions on LeetCode.
- * Solved 150+ questions on GeeksforGeeks.
- * Achieved 5-star rating in C++ on HackerRank and 4-star rating in Python on HackerRank.
- * Achieved recognition as a 4-star problem solver on HackerRank.

Profile Links

- * Github
- * Leetcode
- * GeeksforGeeks
- * HackerRank

Certificates

C++ (Udemy), Data Structure and Algorithm (Coding Ninjas), React (GeeksForGeeks), Problem Solving (HackerRank), SQL (HackerRank)
